Message

Delhi Technological University has had a proud legacy of being a premier institute recognized for its outstanding education, research, innovation, and entrepreneurship for over eight decades. The university offers various interdisciplinary, industry-relevant programs in science and technology at both undergraduate and postgraduate levels. The Integrated BSc & MSc program is an initiative aimed at offering a seamless academic experience through an integrated, interdisciplinary curriculum with multiple entry and exit options for students.

The Integrated BSc & MSc program is designed with a student-centric approach and provides academic flexibility through a broad choice of disciplines, entry and exit pathways, and skill development opportunities. It nurtures foundational understanding alongside practical application, allowing students to explore, innovate, and conduct meaningful research. This program is based on the guiding principles of the National Education Policy 2020 that emphasize enabling every student to realize their full potential through inclusive, high-quality education.

This unique 5-Year Program is not only academically rigorous but also rich in opportunities. It empowers students to develop strong fundamentals, gain hands-on experience, and cultivate an innovative mindset. With its emphasis on holistic development, the program equips students for diverse career trajectories in research, industry, and entrepreneurship—making them contributors to India's vision of becoming a global knowledge superpower.

I welcome you to embrace this opportunity with curiosity and passion. I am sure that you will continue to explore fearlessly, innovate freely, and grow meaningfully during your journey at DTU. Wishing you the very best in all your future endeavours.

GENERAL INSTRUCTIONS

1. Admissions to the Integrated BSc & MSc programmes for the academic year 2026-27 in the Delhi Technological University (DTU) will be done through the Common University Entrance Test: **CUET-(UG)-2026 conducted by the National Testing Agency (NTA).**
2. The admissions will be done purely based on the merit list prepared by CUET-(UG)-2026 score among the registered students at the DTU portal.
3. List of Integrated BSc & MSc programmes offered by DTU: Academic Year 2026-27

S. No.	Programme Name
1	Integrated BSc & MSc in Biotechnology
2	Integrated BSc & MSc in Chemistry
3	Integrated BSc & MSc in Economics
4	Integrated BSc & MSc in Mathematics
5	Integrated BSc & MSc in Physics
6	Integrated BSc & MSc in Data Science
7	Integrated BSc & MSc in Applied Statistics

4. A separate registration form to apply for DTU's Integrated BSc & MSc programme will be released on the University's official website www.dtu.ac.in. Candidates are required to fill in their CUET (UG) 2026 scores obtained in the respective courses in the application form.
5. The registration fee of Rs. 1500/- for all GN/OBC/EWS/SC/ST/PwD, is to be paid online through credit card/net banking at the time of registration. After completing the registration form successfully if a candidate does not pay the registration fee, he/she will not be considered for any seat allotment in any round of the counselling. **The fee paid for the registration for admission shall not be refundable.**
6. It is the responsibility of the candidates to ascertain whether he/she possesses

the requisite eligibility and qualifications for admission as specified in this brochure.

7. If a candidate is found ineligible at any stage before or after admission or during any stage of the programme, his / her candidature / admission will be cancelled without any notice and suitable action shall be initiated against him / her including forfeiture of the fee.
8. The applicants are advised to preserve the online registration form as well as acknowledgement details, if any for future reference.
9. While filling up the registration form, the candidate must verify the correctness of all the particulars furnished by him/ her. In case any candidate is found to have furnished false information or is found to have concealed any material information in his / her application/registration form, **he / she will be debarred from admission and forfeiture of the fee.** Further, University reserves the rights to take suitable actions against the applicant in this regard.
10. After the registration form is complete in all respect and all the required documents have been uploaded, the candidate must confirm all the details before final submission. The candidate will not be permitted to edit/change details filled in the registration form once the candidate submits the form.
11. Candidates must ensure that **Mobile Number and Email address** provided by them must be valid and should belong to the candidate or his/her immediate family members. These details will be used by the University for future communications with the candidate. University would not be responsible for

communication not being made due to non-existent/faulty communication details provided by the candidate.

12. It is in the interest of the candidate to remember his/her password and keep it highly confidential, to avoid misuse by other candidates.
13. Merit list will be declared on the university website only and no separate intimation will be sent to the candidates regarding declaration of merit list and for admission.
14. Final dates of commencement of admissions/detailed schedule and last date of admission will be uploaded on the DTU website (www.dtu.ac.in).
15. The candidates will be called for admission depending upon the number of seats available in each programme. The offer of admission shall be extended only to the qualified and eligible candidates strictly in order of merit.
16. The list of documents required for admission counselling is mentioned in section 6 of this brochure. **Candidates are advised to bring/upload, wherever specified, all the relevant documents as detailed in this brochure at the time of admission.**
17. The candidate seeking admission under reserved categories has to mandatorily produce the **caste/category certificate**

in his/her name at the time of counselling. The certificate in the name of either of the parents (mother/father) or any other family member is not acceptable and the candidate will not be entitled even for provisional admission. The caste/category certificate must be uploaded in online admission portal as well.

18. It is the sole responsibility of the candidate to prove his / her eligibility for claiming reservation under any of the reserved categories. A candidate who is offered a seat under reserved category / sub-category in any round of seat allotment and fails to produce appropriate document in support, his/ her allotted seat will be cancelled and he / she shall be considered for allotment in GENERAL (GN) category in subsequent rounds on submission of a written request by the candidate to the University in this regard, subject to eligibility, availability of vacant seats and his/ her merit. University reserves the right to accept or reject such requests.
19. EWS and OBC (NCL) candidates are required to produce concerned certificate issued after March 31, 2026 from the authorities.
20. Candidates are advised to keep checking the website www.dtu.ac.in for further updates regarding the admission process for Integrated BSc & MSc programme.

About **DELHI TECHNOLOGICAL UNIVERSITY**

Delhi Technological University (DTU), a leading World Class University, plays a vital role in National and Global Knowledge Network. It is empowering India with the Wings of Knowledge and Power of Innovations. With more than 84 years of tradition of excellence in “Engineering & Technological Education” and “Research & Innovations”, DTU came into being after the reconstitution of the Delhi College of Engineering by the Government of NCT of Delhi in 2009, by Act 6 of 2009, passed by the assembly of the NCT of Delhi. It is a non-affiliating, teaching and research University, committed to achieve excellence in Engineering, Science, Technology, Management and allied areas and matters connected therewith or incidental thereto. The university, in its various avatars, namely, the ‘Delhi Polytechnic’ and ‘Delhi College of Engineering’ (DCE), has been serving the nation and the global community since its inception in 1941, by providing trained manpower of highest quality in the field of engineering and technology, and, is globally well known for its outstanding education, research and innovations. The University currently offers various inter-disciplinary and industry relevant programmes in Science, Technology, Management, and allied areas at Undergraduate, Postgraduate and Doctoral level. The University has established a strong academia-industry interface and has collaborations with reputed research organizations, industries, and premier institutions. A great many alumni of the institute have excelled at home and abroad and through their contributions to the profession of engineering. They have brought high honour and enhanced the dignity of engineering fraternity being rolled out from institutions in India. The University lays great emphasis on assisting students in the development of national character, self-confidence, leadership and fostering an ecosystem for creativity and imagination.

Vision & Mission of DTU

VISION

“To be a world class university through education, innovation, and research for the service of humanity”

MISSION

To establish centres of excellence in emerging areas of science, engineering, technology, management, and allied areas.

To foster an ecosystem for incubation, product development, transfer of technology, and entrepreneurship.

To create environment of collaboration, experimentation, imagination, and creativity.

To develop human potential with analytical abilities, ethics, and integrity.

To provide environment friendly, reasonable, and sustainable solutions for local and global needs.

LOCATION:

Delhi Technological University is situated at Shahbad Daulatpur, Rohini in North - West Delhi, India. It is approximately 32 kilometers from the Indira Gandhi International Airport, New Delhi and the nearest Metro stations are Samaypur Badli/Rithala. Once at Samaypur Badli/Rithala, board local transport, auto or bus to get down at DTU, which is 3-4 kms far from Samaypur Badli/ Rithala Metro Station.

Programmes Offered

The University offers Undergraduate engineering programmes (B.Tech.) and Bachelor programmes [i.e. B.Des., BBA, BA (Hons.) Economics], M.Tech. programmes, MBA programmes, M.Sc. programmes, Integrated BSc & MSc programmes, MA (Economics), M.Des. Programme and M.Tech. by Research programmes. The university offers Ph. D. programmes in all areas of engineering, science, management, design, and economics. The UG and PG programmes of DTU offer the most modern curricula, based on the Choice Based Credit System (CBCS), and NEP 2020 having rich mix of courses from science, engineering, management, social sciences, humanities, fine arts, liberal arts, classical music, sports, etc. The course curricula have been developed with a view to integrate advancements in science and engineering, while also incorporating industry relevant technologies. To provide further flexibility there is provision for credit transfer and earning credits through massive online courses (MOOCs) from different platforms such as NPTEL and SWAYAM. The curriculum is regularly updated keeping in view the new technologies and changes in the needs of industries and society.

Faculty and Research

The university has a very talented pool of experienced, as well as young faculty members who are well qualified in their area of specialization and have very good national and international exposure. To engage the students and faculty in research and innovation the university offers provisions like funding for students' innovative projects, financial assistance to students for attending internship overseas, research project grants to all faculty members etc. To celebrate the individual's excellence in research, the university offers Research Excellence Awards to researchers in three categories of awards annually, namely, Outstanding Research Awards, Premier Research Awards, and Commendable Research Awards. The awards are open to all the researchers of DTU. The University provides funds to faculty and students to organize and attend various faculty development programmes, seminars, and conferences.

Ranking and Rewards

The university is having ISO 9001:2015 certification since 27.11.2018, accredited with 'A+' grade by NAAC (National Assessment and Accreditation Council) (2nd Cycle) and has been accorded 2(f) and 12-B status by

the University Grants Commission (UGC). Many of its UG & PG engineering programmes are also accredited by the National Board of Accreditation (NBA). The University is consistently ranked among best 10 engineering institutions as per the various independent surveys on best engineering institutions of the country. The university has been ranked 10th by India Today's Top engineering colleges in India 2025. The 2025 NIRF rankings placed DTU at the 30th position among the engineering institutions and at 42nd in the categories of universities. DTU has been placed at 801-1000 bracket in the Times Higher Education World University Ranking 2026.

Campus and Infrastructure

DTU has 164 acres of a lush green, tech-savvy main campus, consisting of 16 academic departments, research centers, and residences for students, faculty, and staff. At present the university has around 15,000 students in its undergraduate, postgraduate, and Ph. D programmes. DTU has an EDUSAT Studio utilized for recording lectures, events, and talks. Besides the main campus, the university has another campus in East Delhi, where some of the M.B.A. programmes, B. A (Hons.) Economics and B.B.A. programmes are offered. The newly established East Delhi Campus of DTU has been functional since the 2017-18 academic session. It is located at Vivek Vihar, Phase II, Delhi. This campus endeavours to provide quality education, research, and innovation in the emerging areas of management, relevant to industry and society.

Computer Centre

DTU has a well-equipped centralized computer centre to cater to the needs of students and faculty in the university. It is housed, in a magnificent state-of-the-art building having specialized laboratories to provide variety of platforms and computing environment for UG, PG and research students. The centre possesses several servers and over 275 Dell intel core i5 computer systems. In addition, the centre

has more than 15 servers hosting different applications such as websites & portals, SPSS, Mathematica, MatLab, DNS, LDAP, proxy, Email services, Network Monitoring System (NMS) etc. and 4 SUN CAD workstations meant for use by UG/PG/PhD students for their projects and research work. The centre is networked through high-end intelligent Juniper/Avaya/CISCO/Brocade/Ruckus manageable switches and possesses round the clock two leased lines of 10 Gbps link of NKN and 1Gbps link of Reliance Jio with shared bandwidth in different pipes for the Wi-Fi connectivity in the Library, Academic Departments, Administrative Blocks, Sports Complex, Faculty Residence and Hostel blocks of the campus, with internet facilities on all the nodes. It also has the latest versions of compilers, scientific, technical, and engineering software, training kits etc. for the students of different branches of engineering.

Central Library

Delhi Technological University library, with a collection of more than 2,00,000 text and reference books and a large number of e-journals, e-books, manuscripts in digital format, is one of the highly rich engineering libraries in the country. Library provides remote access facility to all its readers by using cloud based remote access software. The library also helps researchers to maintain proper integrity and ethics and provides the facility of similarity check to avoid instances of plagiarism. It has a very active presence on Facebook. Various current awareness services and user information literacy programmes are continually organized throughout the year. The library building is a four storied, aesthetically designed, centrally air-conditioned structure with a seating capacity of 500. Library is updated regularly by way of adding new literature in the form of text books, reference books, reports, proceedings, abstracts & indexes, encyclopaedias, data books, standards (National & International), Journals & database on CD-ROM.

Hostel

Hostel life is one of the most enjoyable and memorable times of one's life. There are 11 boy's hostels and 03 girl's hostels in DTU, besides, one separate hostel for international students (boys). Each hostel in the campus gives each individual ample opportunity to develop various qualities as each hostel is equipped with recreation room, reading room, mess and gymnasium. Additionally, every hostel subscribes to the latest magazines and newspapers for the residents. The hostels are connected to the campus via the campus wide wi-fi network and LAN which enables the residents to browse the internet and access the online library resources for their academic and research related work. The information of all available accommodation will be posted on the University website. However, limited seats could be provided inside the University premises. In addition, the mess facility at the University can be availed by all the students.

Centre for extension & field outreach

Centre for Extension and Field Outreach was established in DTU in the year 2018. The various activities/ programme performed by the Centre is to sensitize the students to develop social values, widespread their responsibilities and knowledge in societal issues and problems by making them to involve with the community people. DTU is a Participating Institute under under "Unnat Bharat Abhyan"- a Project of Ministry of HRD, Govt. of India and adopted five villages and are conducting classes in their schools. Directorate of Education, Govt. of NCT of Delhi awarded a Project "Youth for Education" and has launched "Desh Ke Mentor", which is one of the largest mentoring programmes in school education. Centre has also started a certificate course titled as "Basic Computer Course" Under Lab on Wheels (LOW) Scheme for the candidates from the Government Schools of NCT of

Delhi or from society. Centre at DTU is coordinating with Delhi Police conducting Skill development programme through one-month basic computer training to Juveniles in conflict with law/ weaker section in Rohini. Centre is regularly organizing Seminars/ online webinars/ workshops/ Awareness programmes etc and is working towards increasing productivity, enhancing skills and abilities, focusing on growth and helping people to work on their own future development.

Innovation and incubation foundation (DTU-IIF)

DTU-IIF is a Technology Business Incubator (TBI) established in 2016 as a non-profit section 8 company. Currently, this TBI is supported by the Government of Delhi and Delhi Technological University. DTU-IIF helps start-up companies and individual entrepreneurs to develop their business ideas by providing a range of services including co-working office space, mentoring support, funding support with venture capital financing, and other supports & resources they need, all under one roof. During last five years, IIF provided 70 lakhs of funds to 56 start-up companies. Also, DTU-IIF promotes the culture of innovation and Entrepreneurship by organizing various webinars/workshops/Hackathons, etc. The Business Review Committee screens the new ideas and recommends incubation at DTU-IIF. The Finance Review Committee recommends the investment of Rs. 7.5 lakh per start-up. Delhi Technological University established Technology Business Incubator (TBI) in the name of DTU Innovation and Incubation Foundation (DTU-IIF). DTU-IIF was incorporated as Section 8 Company on 06.09.2016.

Sports and Other Outdoor Activities

The students of DTU are provided with excellent facilities for indoor and outdoor games. DTU has 4 x 400 m racing track,

fields for football, hockey, cricket, courts for volleyball, basketball, tennis, badminton, along with facilities for indoor games. A well-equipped gymnasium is also available in the campus in addition to gym facilities in each hostel. The university has appointed coaches in almost all the games to coach the students and prepare university teams. Students are encouraged to participate in various sporting events and tournaments held in, and around, NCR of Delhi. From academic year 2018-19, as per the revised curriculum, the university offers foundation electives to the students of first year and second year and in these sports have big share of electives.

A large number of bright and capable scholars, having graduated from the Institute, have distinguished themselves by means of their extraordinary achievements in their chosen professions and by their contributions to the society at large.

DCE-DTU Alumni Network

DCE-DTU Alumni are serving leadership positions in many of the best-known companies in India and abroad, in marketing, finance, human resources, information technology, research & analytics, innovation & entrepreneurship. And the worldwide network of illustrious alumni includes world-known personalities like Prof. Vinod Dham (Father of the Pentium Chip), Dr. Raj Soin (Founder, CEO of Soin, and LLC), Prof. D. Yogi. Goswami (Inventor, Author, Entrepreneur and Educator), Dr. Durga Das Aggarwal (President, CEO Piping Technology & Products, Inc). Mr. Vijay Shekhar Sharma, (Founder of Paytm), Sh. Karnal Singh (Former Chief of Enforcement Directorate), Sh. Arun Goyal (Member-CERC & Former Secretary, Cabinet Secretariat).

Alumni have been traditionally contributing generously towards placement opportunities, sponsorships/ Fellowship programs and infrastructural developments

of their alma mater. Donations for Raj Soin Hall by Dr. Soin, Clean Energy Research Centre establishment by Prof. Yogi Goswami, and several scholarships for the students of DTU have shown the dedication of the alumni for the betterment of their alma mater.

Events and Festivals

The university organizes annual cultural, literary, sports and technical festivals. These festivals not just provide an opportunity to the students to connect with the professional world, but also display their creative and technical skills in several interesting events and activities organized during the fests. The ENGIFEST, one of the most well attended student's cultural event in northern India and the YUVAAN, the literary Fest, is annual cultural extravaganza of the university and offers a good mix of literary, cultural, and entertainment events. The INVICTUS is annual technical festival of the university where all technical societies of the university host various technical activities and competition. The AAHVAAAN is the annual sports fest organized by DTU sports council.

Medical Facilities

DTU has a well-equipped health care centre, where the medical practitioners are available to the students requiring medical attention. The healthcare centre has specialized medical practitioners including ENT, dental care, Physiotherapy, Nutrition, Gynaecology and Obstetrics etc. Further, medical camps are also being organized by the University on regular basis. In addition, Ambulance facility is also available in case of emergency. The University has also tie-ups with the major hospitals of Delhi for emergency cases.

More information about DTU can be accessed at **www.dtu.ac.in**.

1. Integrated BSc & MSc Programmes

The integrated BSc & MSc program is a multi-dimensional and flexible program with multiple entry and exit points. It is being floated by Sciences Departments of DTU, however NEP guidelines provide flexibility to the students to choose interdisciplinary courses from Applied Sciences and Engineering Departments. This unique basket of opportunities provided by a technical university like DTU, of international repute, with proven heritage, will catapult the students to new success trajectories. It will enable them to harness multifaceted prowess for entrepreneurial, industry and research initiatives for achieving individualistic goals as part of the Viksit Bharat vision.

The 5-Year Integrated BSc & MSc degree programme offers quality education in the disciplines of Biotechnology, Chemistry, Economics, Mathematics, Physics, Data Science, and Applied Statistics. The course is designed to provide a basket of 'Elective' courses as an integral component of curriculum, for catering to the varied interests of the students, so that students can develop 'specialization' in the areas of their academic and professional interest. The interdisciplinary content of the curricula which is based on Choice Based Credit System (CBCS) guidelines issued by University Grants Commission (UGC) equips the students with the ability to utilize scientific knowledge foundation for practical and industrial applications. The Integrated BSc & MSc Programme offers multiple entry and exit commensurate with the guidelines of NEP 2020 for flexible and comprehensive education.

1.1 Eligibility conditions

- i. The candidate must have studied and passed Class XII Examination or its equivalent from a single recognized board. For example;

*If a candidate has appeared in CBSE Board Examination with five subjects except for Mathematics and later

appears and passes Mathematics from another board such as the National

Institute of Open Schooling (NIOS), the minimum eligibility shall be ascertained from his/her mark sheet issued by CBSE only).

- ii. The candidate must have passed Class XII examination of any Board / University examination in India, or any foreign country recognized as equivalent to the 10+2 system by the Association of Indian Universities (AIU) with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for SC/ ST or relaxation as per Govt Delhi guideline).

NOTE: In case CGPA is given and conversion formula has not been provided by the concerned Institute/ Board then equivalent CGPA will be computed as per the following

Percentage of Marks = $10 \times \text{CGPA}$

- iii. It is mandatory for the candidate to appear in CUET (UG) – 2026 in those subjects in which s(he) is appearing/has passed Class XII. In case the subject studied at Class XII is not mentioned in the CUET (UG) - 2026, the candidate must appear in the Language/Domain Specific subject that is similar/closely related to the subject s(he) has studied at Class XII (for example, if a candidate has studied Biochemistry in Class XII, s(he) must appear in Biology in CUET (UG) – 2026.
- iv. It is mandatory for the candidate to pass in English with a minimum of 35% marks in class XII or equivalent examination. or sured 35% marks in English in CUET (UG) 2026.
- v. AGE: Not to be more than 22 years on 1st July 2026 (applicant should be born on or after 1st July of 2004)
- vi. The admission will be based on the CUET (UG) – 2026 score of three subjects as per the details given in **Table 1:**

Project - 1 or Entrepreneurship like startups, business etc. The Project 1 or Entrepreneurship will start in VII semester and continued to VIII semester as Project 2, however, their evaluation will be done in both semesters. Similarly, Project 3 will start in IX semester and continued to X semester as Project 4, however, their evaluation will be done in both semesters.

Course Code: The course code for the DCC, DEC, and GEC shall be in the format IMS_ _xyz, where “_ _” denote the department code; x is the year, and yz is the course number based odd or even semester.

For example, IMSBT 101, IMSBT 103 etc. for odd semester and IMSBT 102, IMSBT 104 etc. for even semester.

The course code for the AEC, SEC, and VAC shall be as per the pool of courses in the respective groups.

Minor Track: A student shall have the option to obtain a Minor in a specific discipline. A minor shall be awarded to a student along with his/her major discipline if he/she earns required credits (courses) from the prescribed basket of courses for that minor.

- A student who wishes to peruse a Minor from other discipline along with Bachelor degree (to exit after three years) shall earn 26 credits from GECs 4 – GECs 10 from the basket prescribed for that Minor.

- A student who wishes to peruse a Minor from other discipline along with Bachelor degree honours with or without Research (to exit after four years) shall earn 34 credits from GECs 4 – GECs 13 from the basket prescribed for that Minor.
- A student who wishes to peruse a Minor from other discipline along with Master degree (to exit after five years) shall earn 34 credits from GECs 4 – GECs 13 from the basket prescribed for that Minor.
- A student who does not wish to peruse a Minor from other discipline shall opt for the DEC of that department.

In addition to these departmental electives, student can opt for other elective courses depending on his/ her interest offered by any other department as per approved University guidelines.

Further, besides conventional modes of teaching such as lectures, videos, power points and reading materials, Students are encouraged to earn some credits through self-paced custom e-learning in the areas of interest through MOOCs, SWAYAM and NPTEL digital platforms.

8. ACADEMIC DEPARTMENT DETAILS

8.1 Department of Applied Chemistry

Department of Applied Chemistry holds the foundation of the reputation of Delhi Technological University as it is one of the core disciplines of DTU founded at the time of its inception. The department offers B.Tech. in Chemical Engineering (4 yrs); M.Tech. in Polymer Technology (2 yrs); Integrated BSc & MSc in Chemistry, and M.Sc. in Chemistry (2 yrs); and Ph.D. in Chemistry and Chemical Engineering. The department is providing cutting edge research, innovation and education in the emerging areas of chemistry and chemical engineering. The department has well-equipped state of art laboratories for undergraduate, postgraduate and Ph.D. students. The faculty members of the department are actively involved in research and collaborations. The department has published quality research papers in peer-reviewed journals and contributed towards conference proceedings and book chapters of national and international repute.

Research Areas: Inorganic chemistry, bioinorganic chemistry, cell imaging, organic chemistry, organic synthesis, bioorganic chemistry, medicinal chemistry, biomimetic reactions, bio-polymer, nutraceuticals & functional foods, conducting polymer,

sensors, electrochemistry, natural products, medical textiles, effluent treatment, nano & environmental biotechnology, surface chemistry, reaction engineering, chemical engineering, polymer blends & composites, hydrogels.

8.2 Department of Applied Mathematics

The Department runs a four-year B. Tech. programme in Mathematics & Computing. This programme is an amalgamation of Mathematics with Computer Science and Financial Engineering. More than 25 research students are registered in the Department for Ph.D programme. The

department has a team of committed faculty members from the disciplines of Pure Mathematics, Applied Mathematics, Computer Engineering, Statistics and Operation Research.

Research Areas: Information Theory, Graph Theory, Discrete Mathematics, Numerical Analysis, General Relativity and Cosmology, Optimization Technique, Complex Analysis, Mathematical Modelling, Approximation Theory, Stochastic Processes, Fuzzy logic and optimization, Algebra and Mathematical Finance.

for undergraduate, postgraduate and Ph.D. students. Faculty members of the department are actively involved in National and International collaborations for R & D activities.

8.3 Department of Applied Physics

Applied Physics Department is providing cutting edge research, innovation and education in the emerging areas of science and technology. Department offers the undergraduate Academic Programme (B.Tech.) in Engineering Physics and Post Graduate program (M.Tech.) in Material Science and Technology and one M.Sc. programme in Physics is offered from the Department. The department has well-equipped state of art laboratories

Research Areas: Nanotechnology: Carbon Nanotube / Carbon Nano fibre and Graphene. Plasma Physics/Dusty plasma/ THz Radiation Emission/High power microwave devices, Photonics and Photonic Crystals. Glass Science and Technology Phosphors, Photoluminescence, Organic & Nano-Material, Time-resolved spectroscopy, Micro electronic Devices and Solar Cells-Application Oriented Modelling and Simulation, Waveguide based devices. Fibre and Integrated optics, Luminescent Material, Material science, Experimental Lithium Ion battery, Multiferroic materials, Atomic & molecular physics, Gas sensors, Atmosphere Sciences, Memory Devices.

8.4 Department of Biotechnology

The Department of Biotechnology is a hub for innovative research and comprehensive education in the field of biotechnology. Our mission is to push the frontiers of biotechnological science through pioneering research and to cultivate highly skilled professionals equipped to tackle the challenges of the future. The Department offers B.Tech. in Biotechnology, M. Sc. in Biotechnology, M. Tech. in Bioinformatics and Industrial Biotechnology and PhD in Biotechnology. The Department has also started M.Tech. by Research and Integrated B.Sc & M.Sc. program. The curriculum of all programs is updated from time to time to include the latest advancements and industry-relevant skills. This ensures that our graduates are well-prepared for the job market and possess the competencies needed for translational research and innovation. The Department is renowned for its cutting-edge research conducted in state-of-the-art laboratories. Research projects, funded by prestigious organizations such as DST, CSIR, ICMR, DBT, and UGC, address critical issues in healthcare, agriculture, and environmental sustainability. Faculty members, who are leaders in their respective fields, guide these research initiatives, fostering a collaborative and innovative environment. Students in the Department benefit from hands-on learning experiences, gaining

practical knowledge and expertise in biotechnological methodologies.

Department of Biotechnology holds a good placement record getting top offers, with packages reaching up to 44 LPA. Additionally, our students consistently achieve high rankings in national-level exams like GATE and CSIR-NET, reflecting the quality of education and support they receive. The Department actively promotes the cultivation of a vibrant startup culture in collaboration with the Institute Innovation Council (IIC-DTU) by regularly conducting seminars and workshops, with an aim to foster entrepreneurship among students, providing them with the necessary resources and support to turn innovative ideas into successful ventures. Department of Biotechnology regularly organizes programs like Entrepreneurship-Academia Mentorship Program, Entrepreneurship workshops, awareness talks with NSS, expert lectures in recent advancements in the field of Biotechnology under the flagship of Viksit Bharat Abhiyan.

The Department of Biotechnology is dedicated to nurturing the next generation of biotechnologists and researchers. Through a combination of rigorous academics, innovative research, and a supportive learning environment, we prepare our students to become leaders in the field of biotechnology.

Research Areas: Aquaculture, Algal Biotechnology, Bioremediation, Functional Genomics, Genome informatics, Immunology, Immunostimulation, Molecular Neuroscience, Medicinal Plant Biotechnology, Nano-biotechnology, Neuro-oncology, Water Quality Management.

8.5 Department of Humanities

Established in 1965, the Department of Humanities at Delhi Technological University (DTU) serves as a vital interdisciplinary hub, designed to bridge the gap between technical expertise and the social, ethical, and economic landscapes in which professionals operate. The department is committed to fostering critical thinking, effective communication, and professional ethics. Its goal is to transform students

into well-rounded, socially conscious professionals who can navigate a dynamic global environment with empathy and analytical rigour.

Academic Programs & Courses

The department provides a diverse array of courses that cater to both the undergraduate engineering curriculum and specialised higher education.

A. COURSES

- **Ability Enhancement & Value-Added Courses (AEC/VAC):** These courses for first-year B.Tech students focus on soft skills, literary appreciation, ethical awareness, and socio-cultural perspectives to broaden their professional outlook.
- **Engineering Economics:** A mandatory third-year course for B.Tech students, this course is designed to teach them how to make sound economic decisions, minimise costs, and maximise organisational benefits.
- **Minor Degree Courses:** Students can opt for a minor in English or Economics. This allows them to earn a minor degree alongside their primary engineering qualification, providing them with a competitive edge in the job market.

B. PROGRAMS

- Integrated BSc & MSc Economics Program:

The Department of Humanities offers an integrated degree program in Economics. Launched recently (2024–25), this five-year, research-oriented program is designed for students seeking a career in academia, policy-making, or industry.

As a rigorous and research-oriented course, it blends theoretical foundations with practical applications to prepare students for careers in academia, policy-making, and industry. This 5-year Integrated B.Sc and M.Sc is a program with multiple entry and exit designs for students who wish to pursue higher

education after class 12th. Admission to this program is through the Common University Entrance Test (CUET (UG)) merit rank conducted by the National Testing Agency (NTA). Students, upon completing five years, shall be awarded a Master of Science in Economics with or without a minor degree.

With a commitment to academic excellence and interdisciplinary collaboration, the Department of Humanities plays a pivotal role in shaping well-rounded, socially conscious graduates ready to contribute meaningfully to a global society.

Research Focus:

Ph.D. Programs: The department hosts active research scholars in the disciplines of English and Economics, contributing to high-quality academic publications in indexed journals.

The faculty and research scholars engage in interdisciplinary inquiry. Key research areas include:

- **English:** *Diasporastudies, contemporary literature, Indian writing in English, and the intersection of technology, culture, and media.*
- **Economics:** *Labour Economics, International Trade and Agriculture, Applied Econometrics, Development Economics*

The department welcomes students, collaborators and researchers across universities to utilise the facilities (such as the Language Lab) and research opportunities available in the Department of Humanities

8.6 Department of Software Engineering

The Department of Software Engineering at Delhi Technological University was established in 2009 with the vision of developing skilled software professionals capable of building high quality, reliable, and cost-effective software systems. Over the years, the department has evolved into a centre for academic excellence and innovation in emerging areas of computing and technology. The department currently offers a B.Tech. programme in Software Engineering with an intake of 180 students, two M.Tech. programmes in Software Engineering and Data Science, M.Tech. by Research, and Ph.D. programmes in the disciplines of Computer Science and Software Engineering. Through a balanced focus on academics, research, and practical learning, the department strives to prepare students for the dynamic and rapidly evolving technology landscape.

Beginning from the academic session 2026–27, the department is introducing the Integrated BSc & MSc Programme in Data Science with Minor Specialization in Sports Analytics and Healthcare Analytics.

The programme has been designed to provide students with a strong foundation in mathematics, statistics, programming, and analytical thinking along with advanced knowledge in data science, artificial intelligence, and machine learning. With the increasing importance of data-driven technologies across industries, the programme aims to prepare students for opportunities in research, industry, healthcare, sports, business analytics, and emerging technology sectors.

The curriculum emphasizes experiential and application-based learning through projects, internships, case studies, and real-world problem solving. The Minor Specialization in Sports and Healthcare Analytics will enable students to understand and apply analytical techniques in areas such as sports performance, sports business, sports measurement, healthcare systems, patient data analysis, fitness monitoring, and predictive healthcare solutions.

The department actively promotes research, innovation, and entrepreneurship through technical workshops, collaborative projects, hackathons, and industry interaction, preparing students to become future-ready professionals in the rapidly evolving world of data science and technology. The programmes also encourages participation in research activities, innovation challenges, and interdisciplinary collaborations to help students build a strong academic and professional foundation.

Research Areas: Artificial Intelligence, Machine Learning, Data Science, Software Engineering, Predictive Analytics, Sports Analytics, Health Analytics, Deep Learning, Natural Language Processing, Computer Vision, Big Data Analytics, Cloud Computing, and Intelligent Systems.

8.7 Department of USME

The University School of Management and Entrepreneurship (USME), established in 2017 at Delhi Technological University's East Delhi Campus (EDC), aims to provide high-quality education in management, analytics, and venture development. Its vision is

to become a multidisciplinary, practice-oriented center for learning, research, and innovation. The school integrates the disciplines of Management, Economics, and Entrepreneurship, supported by faculty from prestigious institutions such as IIMs, IITs, JNU, and Delhi School of Economics.

USME has developed a vibrant ecosystem comprising student entrepreneurs, incubated ventures, industry professionals, mentors, and researchers. In addition to academic programs, it conducts workshops on entrepreneurship, business strategy, machine learning, and startup development, fostering experiential learning. The campus also hosts and supports student engagement through numerous clubs and extracurricular activities. Students from this campus can also participate in all events organized at main campus.

The campus features modern infrastructure, including smart classrooms, seminar halls, a state-of-the-art library, discussion spaces, and the 200-seat Manthan Hall. Sports and recreational facilities, including badminton courts and access to DTU's main sports complex, contribute to student development. USME currently offers undergraduate, postgraduate, executive, and doctoral programs in management, economics, and entrepreneurship, serving over 1,400 students and nurturing future leaders, innovators, and entrepreneurs.
