

ACKNOWLEDGEMENT

I sincerely thank my guide **Dr. Kiran Jain**, Scientist F, Semiconductor Lab, National Physical Laboratory, New Delhi for her guidance, constant support and encouragement throughout my project.

It is my great respect and profound gratefulness that I record my indebt and deep felt devotion to my supervisors. **Dr. Kiran Jain**, Scientist F, Semiconductor Lab., National Physical Laboratory, New Delhi and **Dr. Mohan. S. Mehata**, Assistant Professor, Department of Physics, DTU for their precious and encouraging supervision, valuable discussions and inspiring guidance throughout the work. Despite having a busy work schedule, they helped me a lot throughout this project with great interest. Things that I have learnt from them will continue to guide me further in my academic career.

I would like to extend my thanks to **Dr. R .K. Sinha**, Prof. & Head, Department of Physics, DTU for his kind guidance and support during the course for allowing me to carry out my project work in this esteemed research laboratory, NPL, New Delhi.

With great pleasure I would like to thank **Dr. Shailesh N. Sharma** for providing the PL measurements, **Dr. K.N.Sood** for SEM facility, **Dr. Vinay Gupta** for providing the UV facility, **Dr. V.P.S. Awana** for XRD measurements and **Dr. Senguttvan** for TGA/DTA measurements.

I express my sincere thanks to **Dr. Rajeev Chopra**, HRD Group and Mr. Dharamvir Singh Saini, HRD Group, NPL, for allowing me to do my M. Tech. research project at NPL.

I'll also show thankful regard to my senior **Ms. Aneeta Kharkwal**, JRF, NPL for their help and guidance in fulfilling many requirements of this work. I heartedly thank to my classmates for their support during my studies.

With deep sense of gratitude, I recorded here my happiness in thanking to my **Parents** with continuous presence and inspirations which guided me all along in developing this project work.
