

Training session on EBSCO Discovery Service

Central Library, DTU organized a Training session on **EBSCO Discovery Service** on 13th December 2017 (Wednesday) in the Conference Hall on 3rd floor of the Central Library, DTU. The session delivered by Ritesh Kumar, MLISc., MBA I Senior Training Specialist, Neeraj Tiwari I Business Manager and Monika Negi I Sales Co-ordinator, EBSCO Information Services. The Training session coordinated by Dr. (Mrs.) Lalita, Assistant Librarian under the supervision of R K SHUKLA, University Librarian was well attended by the faculty members and students.

EBSCO Discovery Service brings together the most comprehensive collection of content—including superior indexing from top subject indexes, high-end full text and the entire library collection—all within an unparalleled full-featured, customizable discovery layer experience.

With *EBSCO Discovery Service*, faculty, researchers can conduct a discovery search of their library's entire collection on a single, powerful search platform—including databases, special collections, eBooks, catalog records, archives and a wide range of digital content available through their library. EDS uses the same intuitive features that are available on *EBSCOhost*—the leading research platform designed to optimize the user search experience.
